|--|--|
| Instructional & Maintenance Manuals | Vendor shall furnish a hard copy or electronic copy of the complete set of instruction and maintenance manuals including warranties for the products supplied. The manual shall include complete instructions for unpacking, inspecting, installing, adjusting, aligning, and operating the product, together with layout and interconnection diagrams, preventive and corrective maintenance procedures, and complete parts lists, manufacturer's catalog numbers, and ordering information, if applicable. If available, Vendor shall supply such information electronically with the order, or shall direct where the information can be found on the Internet. |
| Training | If required, the Vendor shall provide qualified representative(s) to instruct owners' operators in the proper operation, safety issues, routine maintenance, troubleshooting and service based on the complexity of the equipment. Training shall be coordinated with the using agency. |
| Additional Information | Additional information can be located in each Vendor's response referenced on NCCCS' Purchasing & Fixed Assets website. |
