If, in the sole opinion of the State, the cessation of use by the State of any such Services due to infringement issues makes the retention of other items acquired from the Vendor under this Agreement impractical, the State shall then have the option of terminating the Agreement, or applicable portions thereof, without penalty or termination charge; and Vendor agrees to refund any sums the State paid for unused Services.
  - c) The Vendor, at its own expense, shall defend any action brought against the State to the extent that such action is based upon a claim that the Services supplied by the Vendor, their use or operation, infringes on a patent, copyright, trademark or violates a trade secret in the United States. The Vendor shall pay those costs and damages finally awarded or agreed in a settlement against the State in any such action. Such defense and payment shall be conditioned on the following:
    - i) That the Vendor shall be notified within a reasonable time in writing by the State of any such claim; and,
    - ii) That the Vendor shall have the sole control of the defense of any action on such claim and all negotiations for its settlement or compromise provided, however, that the State shall have the option to participate in such action at its own expense.
  - d) Vendor will not be required to defend or indemnify the State if any claim by a third party against the State for infringement or misappropriation results from the State's material alteration of any Vendor-branded Services, or from the continued use of the good(s) or Services after receiving notice they infringe on a trade secret of a third party.
- 4) ACCESS AVAILABILITY; REMEDIES:**

RFQ No. 50-NCCCS-2223029

- a) The Vendor warrants that the Services will be in good working order and operating in conformance with Vendor's standard specifications and functions as well as any other specifications agreed to by the parties in writing, and shall remain accessible 24/7, with the exception of scheduled outages for maintenance and of other service level provisions agreed in writing, e.g., in an SLA. Vendor does not warrant that the operation of the Services will be completely uninterrupted or error free, or that the Services functions will meet all the State's requirements, unless developed as Customized Services.
- b) The State shall notify the Vendor if the Services are not in good working order or inaccessible during the term of the Agreement. Vendor shall, at its option, either repair, replace or reperform any Services reported or discovered as not being in good working order and accessible during the applicable contract term without cost to the State.

If the Services monthly availability averages less than 99.9% (excluding agreed-upon maintenance downtime), the State shall be entitled to receive automatic credits as indicated immediately below, or the State may use other contractual remedies such as recovery of damages, as set forth herein in writing, e.g., in Specifications, Special Terms or in an SLA, and as such other contractual damages are limited by N.C.G.S. § 143B-1350(h1) and the Limitation of Liability paragraph below. If not otherwise provided, the automatic remedies for nonavailability of the Subscription Services during a month are:

1. A 10% service credit applied against future fees if Vendor does not reach 99.9% availability.
2. A 25% service credit applied against future fees if Vendor does not reach 99% availability.
3. A 50% service credit applied against future fees or eligibility for early termination of the Agreement if Vendor does not reach 95% availability.

If, however, Services meet the 99.9% service availability level for a month but are not available for a consecutive 120 minutes during that month, the Vendor shall grant to the State a credit of a pro-rated one-day of the monthly subscription Services fee against future Services charges. Such credit(s) shall be applied to the bill immediately following the month in which Vendor failed to meet the performance requirements or other service levels, and the credit will continue to be deducted from the monthly invoice for each prior month that Vendor fails to meet the support response times for the remainder of the duration of the Agreement. If Services monthly availability averages less than 99.9% (excluding agreed-upon maintenance downtime), for three (3) or more months in a rolling twelve-month period, the State may also terminate the contract for material breach in accordance with the Default provisions hereinbelow.

- c) Support Services. If Vendor fails to meet Support Service response times as set forth herein or in an SLA for a period of three consecutive months, a 10% service credit will be deducted from the invoice in the month immediately following the third month, and the 10% service credit will continue to be deducted from the monthly invoice for each month that Vendor fails to meet the support response times for the remainder of the duration of the Agreement.

## 5) EXCLUSIONS:

- a) Except as stated above in Paragraphs 3 and 4, Vendor and its parent, subsidiaries and affiliates, subcontractors and suppliers make no warranties, express or implied, as to the Services.
- b) The warranties provided in Paragraphs 3 and 4 above do not cover repair for damages, malfunctions or service failures substantially caused by:
  - i) Actions of non-Vendor personnel;
  - ii) Failure to follow Vendor's written instructions relating to the Services provided to the State;
  - iii) Force Majeure conditions set forth hereinbelow; or.
  - iv) The State's sole misuse of, or its own inability to use, the Services.

## 6) PERFORMANCE REVIEW AND ACCOUNTABILITY. N.C.G.S. § 143B-1340(f) and 09 NCAC 06B.1207 require provisions for performance review and accountability in State IT contracts. For this procurement, these shall include the holding a retainage of 10% of the contract value and withholding the final payment contingent on final acceptance by the State as provided in 09 NCAC 06B.1207(3) and (4), unless waived or otherwise agreed, in writing. The Services herein will be provided consistent with and under these Services performance review and accountability guarantees.

## 7) LIMITATION OF LIABILITY: Limitation of Vendor's Contract Damages Liability:

- a) Where Services are under the State's exclusive management and control, the Vendor shall not be liable for direct damages caused by the State's failure to fulfill any State responsibilities of assuring the proper use, management and supervision of the Services and programs, audit controls, operating methods, office procedures, or for establishing all proper checkpoints necessary for the State's intended use of the Services.
- b) The Vendor's liability for damages to the State arising under the contract shall be limited to two times the value of the Contract.

RFQ No. 50-NCCCS-2223029

- c) The foregoing limitation of liability shall not apply to claims covered by other specific provisions including but not limited to Service Level Agreement or Deliverable/Product Warranty compliance, or to claims for injury to persons or damage to tangible personal property, gross negligence or willful or wanton conduct. This limitation of liability does not apply to contributions among joint tortfeasors under N.C.G.S. § 1B-1 *et seq.*, the receipt of court costs or attorney's fees that might be awarded by a court in addition to damages after litigation based on this Contract. For avoidance of doubt, the Parties agree that the Service Level Agreement and Deliverable/Product Warranty Terms in the Contract are intended to provide the sole and exclusive remedies available to the State under the Contract for the Vendor's failure to comply with the requirements stated therein.
- 8) VENDOR'S LIABILITY FOR INJURY TO PERSONS OR DAMAGE TO PROPERTY:**
- a) The Vendor shall be liable for damages arising out of personal injuries and/or damage to real or tangible personal property of the State, employees of the State, persons designated by the State for training, or person(s) other than agents or employees of the Vendor, designated by the State for any purpose, prior to, during, or subsequent to delivery, installation, acceptance, and use of the Services either at the Vendor's site or at the State's place of business, provided that the injury or damage was caused by the fault or negligence of the Vendor.
- b) The Vendor agrees to indemnify, defend and hold the Agency and the State and its Officers, employees, agents and assigns harmless from any liability relating to personal injury or injury to real or tangible personal property of any kind, accruing or resulting to any other person, firm or corporation furnishing or supplying work, Services, materials or supplies in connection with the performance of this Contract, whether tangible or intangible, arising out of the ordinary negligence, willful or wanton negligence, or intentional acts of the Vendor, its officers, employees, agents, assigns or subcontractors.
- c) Vendor shall not be liable for damages arising out of or caused by an alteration or an attachment not made or installed by the Vendor.
- 9) MODIFICATION OF SERVICES:** If Vendor modifies or replaces the Services provided to the State and other tenants, and if the State has paid all applicable Subscription Fees, the State shall be entitled to receive, at no additional charge, access to a newer version of the Services that supports substantially the same functionality as the then accessible version of the Services. Newer versions of the Services containing substantially increased functionality may be made available to the State for an additional subscription fee. In the event of either of such modifications, the then accessible version of the Services shall remain fully available to the State until the newer version is provided to the State and accepted. If a modification materially affects the functionality of the Services as used by the State, the State, at its sole option, may defer such modification.
- 10) TRANSITION PERIOD:**
- a) For ninety (90) days, either prior to the expiration date of this Agreement, or upon notice of termination of this Agreement, Vendor shall assist the State, upon written request, in extracting and/or transitioning all Data in the format determined by the State ("Transition Period").
- b) The Transition Period may be modified in an SLA or as agreed upon in writing by the parties in a contract amendment.
- c) During the Transition Period, Services access shall continue to be made available to the State without alteration.
- d) Vendor agrees to compensate the State for damages or losses the State incurs as a result of Vendor's failure to comply with this Transition Period section in accordance with the Limitation of Liability provisions above.
- e) Upon termination, and unless otherwise stated in an SLA, and after providing the State Data to the State as indicated above in this section with acknowledged receipt by the State in writing, the Vendor shall permanently destroy or render inaccessible any portion of the State Data in Vendor's and/or subcontractor's possession or control following the completion and expiration of all obligations in this section. Within thirty (30) days, Vendor shall issue a written statement to the State confirming the destruction or inaccessibility of the State's Data.
- f) The State at its option, may purchase additional Transition services as may be agreed upon in a supplemental agreement.
- 11) TRANSPORTATION:** Transportation charges for any Deliverable sent to the State other than electronically or by download, shall be FOB Destination unless delivered by internet or file-transfer as agreed by the State, or otherwise specified in the solicitation document or purchase order.
- 12) TRAVEL EXPENSES:** All travel expenses should be included in the Vendor's proposed costs. Separately stated travel expenses will not be reimbursed. In the event that the Vendor may be eligible to be reimbursed for travel expenses specifically agreed to in writing and arising under the performance of this Agreement, reimbursement will be at the out-of-state rates set forth in N.C.G.S. § 138-6; as amended from time to time. Vendor agrees to use the lowest available airfare not requiring a weekend stay and to use the lowest available rate for rental vehicles. All Vendor incurred travel expenses shall be billed on a monthly basis, shall be supported by receipt and shall be paid by the State within thirty (30) days after invoice approval. Travel expenses exceeding the foregoing

RFQ No. 50-NCCCS-2223029

rates shall not be paid by the State. The State will reimburse travel allowances only for days on which the Vendor is required to be in North Carolina performing Services under this Agreement.

- 13) PROHIBITION AGAINST CONTINGENT FEES AND GRATUITIES:** Vendor warrants that it has not paid, and agrees not to pay, any bonus, commission, fee, or gratuity to any employee or official of the State for the purpose of obtaining any contract or award issued by the State. Subsequent discovery by the State of non-compliance with these provisions shall constitute sufficient cause for immediate termination of all outstanding Agreements with the Vendor. Violations of this provision may result in debarment of the Vendor(s) or Vendor(s) as permitted by 9 NCAC 06B.1206, or other provision of law.
- 14) AVAILABILITY OF FUNDS:** Any and all payments by the State are expressly contingent upon and subject to the appropriation, allocation and availability of funds to the State for the purposes set forth in this Agreement. If this Agreement or any Purchase Order issued hereunder is funded in whole or in part by federal funds, the State's performance and payment shall be subject to and contingent upon the continuing availability of said federal funds for the purposes of the Agreement or Purchase Order. If the term of this Agreement extends into fiscal years subsequent to that in which it is approved such continuation of the Agreement *is expressly contingent upon* the appropriation, allocation, and availability of funds by the N.C. Legislature for the purposes set forth in the Agreement. If funds to effect payment are not available, the State will provide written notification to Vendor. If the Agreement is terminated under this paragraph, Vendor agrees to terminate any Services supplied to the State under this Agreement and relieve the State of any further obligation thereof. The State shall remit payment for Services accepted on or prior to the date of the aforesaid notice in conformance with the payment terms.
- 15) PAYMENT TERMS:**
- a) Payment may be made by the State in advance of or in anticipation of subscription Services to be actually performed under the Agreement or upon proper invoice for other Services rendered. Payment terms are Net 30 days after receipt of correct invoice. Initial payments are to be made after final acceptance of the Services. Payments are subject to any retainage requirements herein. The Purchasing State Agency is responsible for all payments under the Agreement. Subscription fees for term years after the initial year shall be as quoted under State options herein but shall not increase more than 5% over the prior term, except as the parties may have agreed to an alternate formula to determine such increases in writing. No additional charges to the State will be permitted based upon, or arising from, the State's use of a Business Procurement Card. The State may exercise any and all rights of Set Off as permitted in Chapter 105A-1 *et seq.* of the N.C. General Statutes and applicable Administrative Rules.
  - b) Upon Vendor's written request of not less than 30 days and approval by the State, the State may:
    - i) Forward the Vendor's payment check(s) directly to any person or entity designated by the Vendor, or
    - ii) Include any person or entity designated in writing by Vendor as a joint payee on the Vendor's payment check(s), however,
    - iii) In no event shall such approval and action obligate the State to anyone other than the Vendor and the Vendor shall remain responsible for fulfillment of all Agreement obligations.
  - c) For any third party software licensed by Vendor or its subcontractors for use by the State, a copy of the software license including terms acceptable to the State, an assignment acceptable to the State, and documentation of license fees paid by the Vendor must be provided to the State before any related license fees or costs may be billed to the State.
  - d) An undisputed invoice is an invoice for which the State and/or the Purchasing State Agency has not disputed in writing within thirty (30) days from the invoice date unless the agency requests more time for review of the invoice. Upon Vendor's receipt of a disputed invoice notice, Vendor will work to correct the applicable invoice error, provided that such dispute notice shall not relieve the State or the applicable Purchasing State Agency from its payment obligations for the undisputed items on the invoice or for any disputed items that are ultimately corrected. The Purchasing State Agency is not required to pay the Vendor for any Software or Services provided without a written purchase order from the appropriate Purchasing State Agency. In addition, all such Services provided must meet all terms, conditions, and specifications of this Agreement and purchase order and be accepted as satisfactory by the Purchasing State Agency before payment will be issued.
  - e) The Purchasing State Agency shall release any amounts held as retainages for Services completed within a reasonable period after the end of the period(s) or term(s) for which the retainage was withheld. Payment retainage shall apply to all invoiced items, excepting only such items as Vendor obtains from Third Parties and for which costs are chargeable to the State by agreement of the Parties. The Purchasing State Agency, in its sole discretion, may release retainages withheld from any invoice upon acceptance of the Services identified or associated with such invoices.
- 16) ACCEPTANCE CRITERIA:**
- a) Initial acceptance testing is required for all Vendor supplied Services before going live, unless provided otherwise in the solicitation documents or a Statement of Work. The State may define such processes and

RFQ No. 50-NCCCS-2223029

procedures as may be necessary or proper, in its opinion and discretion, to ensure compliance with the State's specifications and Vendor's technical representations. Acceptance of Services may be controlled by additional written terms as agreed by the parties.

- b) After initial acceptance of Services, the State shall have the obligation to notify Vendor, in writing and within ten (10) days following provision of any Deliverable described in the contract if it is not acceptable. The notice shall specify in reasonable detail the reason(s) a Deliverable is unacceptable. Acceptance by the State of any Vendor re-performance or correction shall not be unreasonably withheld but may be conditioned or delayed as required for confirmation by the State that the issue(s) in the notice have been successfully corrected.

**17) CONFIDENTIALITY:** The State may maintain the confidentiality of certain types of information described in N.C.G.S. § 132-1, *et seq.* Such information may include trade secrets defined by N.C.G.S. § 66-152 and other information exempted from the Public Records Act pursuant to N.C.G.S. § 132-1.2. Vendor may designate information, Products, Services, or appropriate portions of its response as confidential, consistent with and to the extent permitted under the Statutes and Rules set forth above, by marking the top and bottom of pages containing confidential information with a legend in boldface type "**CONFIDENTIAL.**" By so marking any page, or portion of a page, the Vendor warrants that it has formed a good faith opinion, having received such necessary or proper review by counsel and other knowledgeable advisors, that the portions marked "confidential" meet the requirements of the Rules and Statutes set forth above. ***However, under no circumstances shall price information be designated as confidential.*** The State agrees to promptly notify the Vendor in writing of any action seeking to compel the disclosure of Vendor's confidential information. If an action is brought pursuant to N.C.G.S. § 132-9 to compel the State to disclose information marked "confidential," the Vendor agrees that it will intervene in the action through its counsel and participate in defending the State, including any public official(s) or public employee(s). The Vendor agrees that it shall hold the State and any official(s) and individual(s) harmless from any and all damages, costs, and attorneys' fees awarded against the State in the action. The State shall have the right, at its option and expense, to participate in the defense of the action through its counsel. The State shall have no liability to Vendor with respect to the disclosure of Vendor's confidential information ordered by a court of competent jurisdiction pursuant to N.C.G.S. § 132-9 or other applicable law.

**18) SECURITY OF STATE DATA:**

- a) All materials, including software, Data, information, and documentation provided by the State to the Vendor (State Data) during the performance or provision of Services hereunder are the property of the State of North Carolina and must be kept secure and returned to the State. The Vendor will protect State Data in its hands from unauthorized disclosure, loss, damage, destruction by natural event, or other eventuality. Proprietary Vendor materials shall be identified to the State by Vendor prior to use or provision of Services hereunder and shall remain the property of the Vendor. Derivative works of any Vendor proprietary materials prepared or created during the performance of provision of Services hereunder shall be provided to the State as part of the Services. The Vendor shall not access State User accounts, or State Data, except (i) during data center operations, (ii) in response to service or technical issues, (iii) as required by the express terms of this contract, or (iv) at State's written request. The Vendor shall protect the confidentiality of all information, Data, instruments, studies, reports, records, and other materials provided to it by the State or maintained or created in accordance with this Agreement. No such information, Data, instruments, studies, reports, records, and other materials in the possession of Vendor shall be disclosed in any form without the prior written agreement with the State. The Vendor will have written policies governing access to and duplication and dissemination of all such information, Data, instruments, studies, reports, records, and other materials.
- b) The Vendor shall not store or transfer non-public State data outside of the United States. This includes backup data and Disaster Recovery locations. The Service Provider will permit its personnel and contractors to access State of North Carolina data remotely only as required to provide technical support.
- c) Protection of personal privacy and sensitive data. The Vendor acknowledges its responsibility for securing any restricted or highly restricted data, as defined by the Statewide Data Classification and Handling Policy (<https://it.nc.gov/document/statewide-data-classification-and-handling-policy>) that is collected by the State and stored in any Vendor site or other Vendor housing systems including, but not limited to, computer systems, networks, servers, or databases, maintained by Vendor or its agents or subcontractors in connection with the provision of the Services. The Vendor warrants, at its sole cost and expense, that it shall implement processes and maintain the security of data classified as restricted or highly restricted; provide reasonable care and efforts to detect fraudulent activity involving the data; and promptly notify the State of any breaches of security within 24 hours of confirmation as required by N.C.G.S. § 143B-1379.
- d) The Vendor will provide and maintain secure backup of the State Data. The Vendor shall implement and maintain secure passwords for its online system providing the Services, as well as all appropriate administrative, physical, technical and procedural safeguards at all times during the term of this Agreement to secure such Data from Data Breach, protect the Data and the Services from loss, corruption, unauthorized disclosure, and

the introduction of viruses, disabling devices, malware and other forms of malicious or inadvertent acts that can disrupt the State's access to its Data and the Services. The Vendor will allow periodic back-up of State Data by the State to the State's infrastructure as the State requires or as may be provided by law.

- e) The Vendor shall certify to the State:
- i) The sufficiency of its security standards, tools, technologies and procedures in providing Services under this Agreement;
  - ii) That the system used to provide the Subscription Services under this Contract has and will maintain a valid 3rd party security certification not to exceed 1 year and is consistent with the data classification level and security controls appropriate for low or moderate information system(s) per the National Institute of Standards and Technology NIST 800-53 revision 4. The State reserves the right to independently evaluate, audit, and verify such requirements.
  - iii) That the Services will comply with the following:

      - (a) The Vendor shall encrypt all non-public data in transit regardless of the transit mechanism.
      - (b) For engagements where the Vendor stores sensitive personally identifiable or otherwise confidential information, this data shall be encrypted at rest. Examples are social security number, date of birth, driver's license number, financial data, federal/state tax information, and hashed passwords. The Vendor's encryption shall be consistent with validated cryptography standards as specified in National Institute of Standards and Technology FIPS140-2, Security Requirements. The key location and other key management details will be discussed and negotiated by both parties. When the Service Provider cannot offer encryption at rest, it must maintain, for the duration of the contract, cyber security liability insurance coverage for any loss resulting from a data breach. Additionally, where encryption of data at rest is not possible, the Vendor must describe existing security measures that provide a similar level of protection;
    - (2) Privacy provisions of the Federal Privacy Act of 1974;
    - (3) The North Carolina Identity Theft Protection Act, N.C.G.S. Chapter 75, Article 2A (e.g., N.C.G.S. § 75-65 and -66);
    - (4) The North Carolina Public Records Act, N.C.G.S. Chapter 132; and
    - (5) Applicable Federal, State and industry standards and guidelines including, but not limited to, relevant security provisions of the Payment Card Industry (PCI) Data Security Standard (PCIDSS) including the PCIDSS Cloud Computing Guidelines, Criminal Justice Information, The Family Educational Rights and Privacy Act (FERPA), Health Insurance Portability and Accountability Act (HIPAA);
    - (6) Any requirements implemented by the State under N.C.G.S. §§ 143B-1376 and -1377.
- f) Security Breach. "Security Breach" under the NC Identity Theft Protection Act (N.C.G.S. § 75-60*et seq.*) means (1) any circumstance pursuant to which applicable Law requires notification of such breach to be given to affected parties or other activity in response to such circumstance (e.g., N.C.G.S. § 75-65); or (2) any actual, attempted, suspected, threatened, or reasonably foreseeable circumstance that compromises, or could reasonably be expected to compromise, either Physical Security or Systems Security (as such terms are defined below) in a fashion that either does or could reasonably be expected to permit unauthorized Processing (as defined below), use, disclosure or acquisition of or access to any the State Data or state confidential information. "Physical Security" means physical security at any site or other location housing systems maintained by Vendor or its agents or subcontractors in connection with the Services. "Systems Security" means security of computer, electronic or telecommunications systems of any variety (including data bases, hardware, software, storage, switching and interconnection devices and mechanisms), and networks of which such systems are a part or communicate with, used directly or indirectly by Vendor or its agents or subcontractors in connection with the Services. "Processing" means any operation or set of operations performed upon the State Data or State confidential information, whether by automatic means, such as creating, collecting, procuring, obtaining, accessing, recording, organizing, storing, adapting, altering, retrieving, consulting, using, disclosing or destroying.
- g) Breach Notification. In the event Vendor becomes aware of any Security Breach due to Vendor acts or omissions other than in accordance with the terms of the Agreement, Vendor shall, at its own expense, (1) immediately notify the State's Agreement Administrator of such Security Breach and perform a root cause analysis thereon, (2) investigate such Security Breach, (3) provide a remediation plan, acceptable to the State, to address the Security Breach and prevent any further incidents, (4) conduct a forensic investigation to determine what systems, data and information have been affected by such event; and (5) cooperate with the State, and any law enforcement or regulatory officials, credit reporting companies, and credit card associations

investigating such Security Breach. The State shall make the final decision on notifying the State's persons, entities, employees, service providers and/or the public of such Security Breach, and the implementation of the remediation plan. If a notification to a customer is required under any Law or pursuant to any of the State's privacy or security policies, then notifications to all persons and entities who are affected by the same event (as reasonably determined by the State) shall be considered legally required.

- h) Notification Related Costs. Vendor shall reimburse the State for all Notification Related Costs incurred by the State arising out of or in connection with any such Security Breach due to Vendor acts or omissions other than in accordance with the terms of the Agreement resulting in a requirement for legally required notifications. "Notification Related Costs" shall include the State's internal and external costs associated with addressing and responding to the Security Breach, including but not limited to: (1) preparation and mailing or other transmission of legally required notifications; (2) preparation and mailing or other transmission of such other communications to customers, agents or others as the State deems reasonably appropriate; (3) establishment of a call center or other communications procedures in response to such Security Breach (e.g., customer service FAQs, talking points and training); (4) public relations and other similar crisis management services; (5) legal and accounting fees and expenses associated with the State's investigation of and response to such event; and (6) costs for credit reporting services that are associated with legally required notifications or are advisable, in the State's opinion, under the circumstances. In the event that Vendor becomes aware of any Security Breach which is not due to Vendor acts or omissions other than in accordance with the terms of the Agreement, Vendor shall immediately notify the State of such Security Breach, and the parties shall reasonably cooperate regarding which of the foregoing or other activities may be appropriate under the circumstances, including any applicable Charges for the same.
- i) Vendor shall allow the State reasonable access to Services security logs, latency statistics, and other related Services security data that affect this Agreement and the State's Data, at no cost to the State.
- j) In the course of normal operations, it may become necessary for Vendor to copy or move Data to another storage destination on its online system, and delete the Data found in the original location. In any such event, the Vendor shall preserve and maintain the content and integrity of the Data, except by prior written notice to, and prior written approval by, the State.
- k) Remote access to Data from outside the continental United States, including, without limitation, remote access to Data by authorized Services support staff in identified support centers, is prohibited unless approved in advance by the State Chief Information Officer or the Using Agency.
- l) In the event of temporary loss of access to Services, Vendor shall promptly restore continuity of Services, restore Data in accordance with this Agreement and as may be set forth in an SLA, restore accessibility of Data and the Services to meet the performance requirements stated herein or in an SLA. As a result, Service Level remedies will become available to the State as provided herein, in the SLA or other agreed and relevant documents. Failure to promptly remedy any such temporary loss of access may result in the State exercising its options for assessing damages under this Agreement.
- m) In the event of disaster or catastrophic failure that results in significant State Data loss or extended loss of access to Data or Services, Vendor shall notify the State by the fastest means available and also in writing, with additional notification provided to the State Chief Information Officer or designee of the contracting agency. Vendor shall provide such notification within twenty-four (24) hours after Vendor reasonably believes there has been such a disaster or catastrophic failure. In the notification, Vendor shall inform the State of:
  - 1) The scale and quantity of the State Data loss;
  - 2) What Vendor has done or will do to recover the State Data from backups and mitigate any deleterious effect of the State Data and Services loss; and
  - 3) What corrective action Vendor has taken or will take to prevent future State Data and Services loss.
  - 4) If Vendor fails to respond immediately and remedy the failure, the State may exercise its options for assessing damages or other remedies under this Agreement.

Vendor shall conduct an investigation of the disaster or catastrophic failure and shall share the report of the investigation with the State. The State and/or its authorized agents shall have the right to lead (if required by law) or participate in the investigation. Vendor shall cooperate fully with the State, its agents and law enforcement.

- n) In the event of termination of this contract, cessation of business by the Vendor or other event preventing Vendor from continuing to provide the Services, Vendor shall not withhold the State Data or any other State confidential information or refuse for any reason, to promptly return to the State the State Data and any other State confidential information (including copies thereof) if requested to do so on such media as reasonably requested by the State, even if the State is then or is alleged to be in breach of the Agreement. As a part of Vendor's obligation to provide the State Data pursuant to this Paragraph 18) n), Vendor will also provide the State any data maps, documentation, software, or other materials necessary, including, without limitation, handwritten

RFQ No. 50-NCCCS-2223029

notes, materials, working papers or documentation, for the State to use, translate, interpret, extract and convert the State Data.

- o) Secure Data Disposal. When requested by the State, the Vendor shall destroy all requested data in all of its forms, for example: disk, CD/DVD, backup tape, and paper. Data shall be permanently deleted and shall not be recoverable, according to National Institute of Standards and Technology (NIST) approved methods and certificates of destruction shall be provided to the State.

- 19) ACCESS TO PERSONS AND RECORDS:** Pursuant to N.C.G.S. § 147-64.7, the State, the State Auditor, appropriate federal officials, and their respective authorized employees or agents are authorized to examine all books, records, and accounts of the Vendor insofar as they relate to transactions with any department, board, officer, commission, institution, or other agency of the State of North Carolina pursuant to the performance of this Agreement or to costs charged to this Agreement. The Vendor shall retain any such books, records, and accounts for a minimum of three (3) years after the completion of this Agreement. Additional audit or reporting requirements may be required by any State, if in the State's opinion, such requirement is imposed by federal or state law or regulation. The Vendor shall allow the State to audit conformance including contract terms, system security and data centers as appropriate. The State may perform this audit or contract with a third party at its discretion at the State's expense. Such reviews shall be conducted with at least 30 days' advance written notice and shall not unreasonably interfere with the Service Provider's business.
- 20) ASSIGNMENT:** Vendor may not assign this Agreement or its obligations hereunder except as permitted by 09 NCAC 06B.1003 and this Paragraph. Vendor shall provide reasonable notice of not less than thirty (30) days of any consolidation, acquisition, or merger. Any assignee shall affirm this Agreement attorning to the terms and conditions agreed, and that Vendor shall affirm that the assignee is fully capable of performing all obligations of Vendor under this Agreement. An assignment may be made, if at all, in writing by the Vendor, Assignee and the State setting forth the foregoing obligation of Vendor and Assignee.
- 21) NOTICES:** Any notices required under this Agreement should be delivered to the Agreement Administrator for each party. Unless otherwise specified in the Solicitation Documents, any notices shall be delivered in writing by U.S. Mail, Commercial Courier, facsimile or by hand.
- 22) TITLES AND HEADINGS:** Titles and Headings in this Agreement are used for convenience only and do not define, limit or proscribe the language of terms identified by such Titles and Headings.
- 23) AMENDMENT:** This Agreement may not be amended orally or by performance. Any amendment must be made in written form and signed by duly authorized representatives of the State and Vendor.
