

1E SBCCC 300.1 Tuition for Curriculum Programs

- (a) Tuition Rates. The State Board shall set a uniform tuition rate per credit hour and a maximum tuition amount per academic term for resident and non-resident students consistent with actions taken by the General Assembly.
- (b) Tuition Required. Colleges are required to charge students tuition to enroll in a curriculum course that earns Budget FTE as described in 1G SBCCC 100.99. Students are required to pay tuition, or have a third-party pay on their behalf, to enroll in a curriculum course, unless waived by law. See also 1E SBCCC Subchapter 800.
- (c) Tuition for Student Enrolled in More than One College. If a student enrolls for the same academic term at two or more community colleges, the student may pay the total amount of tuition and registration fees to the student's "home" college, at the discretion of the "home" college. For the purposes of this section, "home" college means the college in which the student initially enrolls for the academic term. The "home" college shall work with the other college or colleges in which the student is enrolled to ensure the student is not charged more tuition than the maximum allowed by the State Board for the academic term. Student membership hours as defined in Chapter G for instruction received shall be reported by the college in which the respective instruction occurred.
- (d) Deposit of Tuition. All tuition receipts are State funds. Colleges must deposit all tuition receipts to the credit of the State Treasurer, consistent with State law.
