

1G SBCCC 200.1 General Provisions

(a) FTE Reporting. As directed by the System Office, colleges shall report FTE enrollment in all course sections scheduled during each academic term reporting period. If a course section is scheduled for a time period that crosses academic term reporting periods, the FTE enrollment shall be reported as follows:

(1) For curriculum course sections that are regularly scheduled, as defined in 1G SBCCC 200.93(b), FTE enrollment shall be reported in the academic term reporting period in which the 10% point of the class falls.

(2) For curriculum course sections that are non-regularly scheduled, as defined in 1G SBCCC 200.93(c), and all continuing education course sections, FTE enrollment shall be reported in the academic term reporting period in which the last day of the course falls.

The System Office shall provide colleges no less than 21 calendar days after the end of the academic term reporting period to submit FTE enrollment data.

(b) Instruction Provided Outside the College's Service Area. Excluding clinical instruction, a college may provide instruction outside its service area, as established per 1A SBCCC 300, only if the appropriate instructional service agreement is executed consistent with 1D SBCCC 300.6 and 1D SBCCC 400.96. If the instructional service agreement provides for the sharing of FTE, the colleges that are party to the agreement shall prorate the number of FTE reported consistent with the provisions of the agreement and the rules of this Chapter.

(c) Making Up Instructional Hours Due to Adverse Weather or Other Emergency Events. A college is responsible for delivering instruction to meet the learning outcomes of each course it provides. If it is not possible or it will not be possible to reschedule all class hours missed due to adverse weather or other emergency events, the instruction may be made up by other alternatives included in the college's adverse weather policy or other policies, such as online instruction and alternative assignments. In a correctional education setting, a college may make up instructional time by issuing evening and weekend assignments and documenting students' successful completion of the assignments. The college

must maintain documentation of how instruction was rescheduled or otherwise made up until released from all compliance reviews.
