

**1G SBCCC 200.98            CUSTOMIZED TRAINING PROGRAM**

(a) Local colleges shall provide customized training programs for companies experiencing job growth, productivity enhancement needs, or creating technology investment to support the economic development of the State. Training programs for these companies shall be administered by the local college, with consultation and assistance from the department's System Office Economic Development staff.

(b) State funds are appropriated to the North Carolina Community College System office in a separate line to support the Customized Training Program. These funds shall be used only to support companies experiencing job growth, productivity enhancement or technology investment.
