

1H SBCCC 400.4 Capital Project Approval and Obtaining Capital Funds

- (a) Project Approval. The State Board shall approve all formal capital improvement projects, regardless of the source of funds, and all informal college capital improvement projects that are supported in part or in total with State funds. As part of the request submitted to the State Board, the college shall certify that its board of trustees has voted to approve the project. The State Board delegates to the President of the North Carolina Community College System the authority to approve, subject to State Board ratification, a capital improvement project if the college has an urgent need and provides evidence that the college will be negatively impacted if approval is delayed until the next regularly scheduled meeting of the State Board. The System President shall present the project to the State Board for ratification at its next regularly scheduled meeting.
- (b) Amendments to approved projects. The State Board shall approve amendments to capital projects approved under subsection (a) of this rule, except the State Board delegates to the President of the North Carolina Community College System or the President's designee the authority to approve an amendment that meets one or more of the following conditions:
- (1) Decreases project funding,
 - (2) Increases project funding solely with non-State funds, or
 - (3) Transfers previously approved State funds (excluding bond funds) to another previously approved project.
